WORK EXPERIENCE

Oberlin Finance Club

Value Fund Analyst

Oberlin, OH

September 2023-Present

- Aid in the active management of the \$400,000 portfolio by performing qualitative and quantitative financial analysis on domestic equities to determine position sizing and strategic direction.
- Perform weekly market research and distribute an economics department wide newsletter highlighting latest developments within the M&A and capital markets spaces.
- Foster community and aid in developing the club's pre professional component by arranging educational initiatives including conferences, teach-ins, and leadership seminars.

ADVNC Lacrosse

10U Assistant Coach/ Goalie Coach

Danville, CA

February 2023-Present

- Critical role in developing players in one of the most essential learning times in a child's life.
- Primary responsibility is player development, ensuring these kids reach their full potential. Includes teaching proper techniques for passing, catching, shooting, ground balls, and defensive maneuvers.
- Embody RAE - Respect, Attitude, and Effort while dealing with players, parents, other coaches, refs, and anyone I contact.
- Ensuring I am always on time with no excuses is a huge part of coaching. Leading by example.

City Of Berkeley Park Recreation & Waterfront

Aquatics Specialist I

Berkeley, CA

November 2022-Present

- Continuously scanning the pool and watching for signs of distress or unsafe behavior among swimmers.
- Actively prevent incidents from happening, including enforcing the pool rules, educating patrons about safe swimming practices, and making sure all the safety equipment is out and ready to use.
- Being able to perform a rescue on patrons. When an emergency happens, be prepared.
- Administer CPR, conduct water rescues, use backboards, and use AEDs. I always need to be attentive and ready for anything.

VOLUNTEER EXPERIENCE

Clinica Esperanza

Clinic Volunteer

Roatan, Honduras

July 3, 2022-July 7, 2022

- Worked with the Director of Exports, where I prepared boxes of medical supplies to be dispersed all across Honduras and the surrounding islands.
- The Clinic Director took me to parts of the island that had no running water and had me do blood pressure tests and deliver food and water, especially to families with young kids.
- Learned how underprivileged most of the world is and what I can do to help. I realized my participation mattered. My leadership had and has the potential to shape someone's life.

Berkeley High Lacrosse Club

President

Berkeley, California

August 2022-June 2023

- Develop and lead a group of athletes to prepare peers for the lacrosse season.
- Hold weekly practices enforcing good sportsmanship and workout habits to help athletes understand what is needed to be a good teammate and player.
- Make practice plans, communicate with members and assist in the overall enhancement of the Berkeley High Lacrosse team in the off season.
